ScholarVault Global Conference Series

VIRTUAL SUMMIT · 6 FEBRUARY 2027

Applied AI & Cyber Summit 2027

A focused international virtual forum advancing trustworthy research, transparent AI governance, scientific reproducibility, accountability and responsible innovation.

6 February 2027
One-day international virtual summit

Free abstract intake
Quality & academic peer review

7 research tracks
Integrity, governance & AI

2–4 working days
Typical decision SLA window

Organised and operated by ScholarVault Conferences

SCVS ASSESSMENT PENDING

THE RESEARCH LANDSCAPE IS CHANGING

Integrity must evolve with intelligent systems

Research now moves through AI-assisted writing, automated analysis, shared datasets and increasingly complex authorship networks. SVACS 2027 creates a practical forum for the people responsible for keeping that work credible.

7	100%	Free	2–4
CORE TRACKS	VIRTUAL ACCESS	ABSTRACT INTAKE	WORKING DAYS

01

For researchers

Strengthen reproducibility, authorship transparency, peer-review quality and responsible AI use.

02

For institutions

Discuss practical governance, policy design, data stewardship and research-quality systems.

03

For technology leaders

Connect innovation with accountability, explainability, safety and public trust.

04

For emerging scholars

Learn how credible research is designed, reviewed, communicated and preserved.

WHO SHOULD PARTICIPATE

Academia

Faculty, doctoral scholars, students, reviewers and research administrators.

Industry

AI, compliance, data, innovation, R&D and technology professionals.

Policy & governance

Ethics, standards, institutional policy and responsible-innovation stakeholders.

SEVEN CONNECTED CONVERSATIONS

A programme built around applied AI & cyber

Contributions may be conceptual, empirical, applied, interdisciplinary or policy-oriented. Suggested topics are indicative rather than restrictive.

01

Applied AI & Intelligent Systems

- Agentic workflows & tool-using systems
- Evaluation, benchmarking & regression testing
- Cost, latency & reliability engineering

02

Cyber Security & Trustworthy AI

- Adversarial ML, evasion & red-teaming
- Prompt injection & agent sandbox escapes
- Model supply-chain & weight provenance

03

Data Privacy & Algorithmic Accountability

- Differential privacy in federated systems
- Synthetic data safety & re-identification
- Machine unlearning & auditable decisions

04

AI Ethics, Governance & Policy

- Accountable AI systems & bias mitigation
- Explainability, oversight & legal liability
- EU AI Act compliance & IRB governance

05

Research Integrity & AI-Generated Content

- Forensic detection of paper mills
- Image & gel-blot tampering audits
- Watermarking, provenance & disclosure

06

Sustainable AI: Climate, Energy & Agriculture

- Energy-efficient training & inference
- Carbon accounting & lifecycle reporting
- Climate, grid & precision agriculture

07

Bio-AI & Biomanufacturing

- Protein, molecule & antibody design
- Self-driving labs & biomanufacturing
- Biosecurity screening & clinical evidence

SUMMIT JOURNEY

Submit	Review	Decide	Prepare	Participate
Free abstract intake	Academic quality review	Typical 2–4 working days	Virtual presentation	6 February 2027

A REAL PRIOR CONFERENCE RECORD

People behind a completed ScholarVault conference

These accepted ICAHCR 2026 profiles demonstrate ScholarVault's prior speaker and committee network. They are historical records only and are not presented as confirmed SVACS 2027 participants.

PRIOR SPEAKER

Dr. C. R. Rene Robin

Sri Sairam Engineering College, India

PRIOR SPEAKER

Assoc. Prof. Dr. Wu Yuan Seng

Sunway University, Malaysia

PRIOR SPEAKER

Ramdev Krishnan J

Mazumdar Shaw Medical Foundation

PRIOR SPEAKER

Dr. R. Aiyshwariya Devi

RMK College of Engineering & Technology

PRIOR COMMITTEE

Dr. Obioma Obikeze

Healthnomics HMO Plc, Nigeria

PRIOR COMMITTEE

Bhabesh Panigrahi

Life Sciences Strategy & Commercialization

PRIOR COMMITTEE

Ts. Dr. Iman Farshchi

MAHSA University, Malaysia

PRIOR COMMITTEE

Vishnu Prateek Kakaraparthi

Arizona State University, USA

AFFILIATIONS REPRESENTED IN THE COMPLETED ICAHCR 2026 RECORD

FROM IDEA TO VIRTUAL PRESENTATION

A clear contributor journey

1 Choose a track › 2 Submit abstract › 3 Academic review › 4 Acceptance decision › 5 Register & present

A

Abstract submission

Submit original work aligned to one or more summit tracks. Abstract submission deadline extended to 8 January 2027 (Free intake).

R

Review window

Abstracts are evaluated by the designated academic review team. Typical decisions take 2–4 working days.

V

Virtual delivery

Accepted presenters receive session and technical instructions before the summit.

C

Official credentials

Applicable presentation or participation credentials depend on verified role and attendance records.

SUBMISSION ESSENTIALS

Prepare structured abstract

250–350 words: Background, Objective, Methodology, Results, and Ethical Implications. Word template available.

Disclose & authenticate

State generative AI usage, CRediT contribution taxonomy, and confirm original unpublished authorship.

Publication & indexing transparency: Acceptance or presentation guarantees inclusion in SVACS 2027 Conference Proceedings (ISBN: pending allocation) with DOI allocation on publication. Journal special-issue routes are subject to independent publisher peer review.

TRANSPARENT CATEGORY PRICING

Choose the right delegate route

Presenting authors may proceed to payment after acceptance. Listener and general delegate registrations may be completed directly.

Participation Category	Domestic (INR)	International (USD)	Designed For
Student Presenter (UG / PG / PhD)	₹2,500	$129	Enrolled undergraduate, postgraduate & PhD student authors
Academic / Faculty Presenter	₹4,999	$199	University professors, postdocs, and institutional scientists
Co-Author Delegate	₹2,200	$79	Co-authors joining presenting authors for joint paper presentation
Industry Professional	₹9,999	$397	Enterprise AI engineers, policy advisors, and R&D directors
Listener Delegate Pass	₹1,999	$99	Non-presenting attendees seeking research insights
Institutional Student Cohort (25 Papers)	₹18,750	$250	Subsidized 25-paper cohort package (effective ₹750/paper)

SVACS 2027 Student Presentation Grants · 10 Full Awards (₹25,000 Value)

ScholarVault sponsors **10 competitive 100% registration fee waivers** for top-ranked student-authored abstracts. Includes free virtual presentation slot, publication in SVACS 2027 Proceedings (ISBN: pending allocation), and official Grantee Certificate. Apply directly during abstract submission.

100% Fee Waiver

Clear category rates

INR and USD amounts are published category rates, not live conversions.

Zero intake cost

Abstract submission and peer review evaluation are 100% free of charge.

Policy-linked

Registration is governed by published refund and participant policies.

EVIDENCE BEFORE CLAIMS

Trust is a visible process

- ✓ Double-blind peer-review & editorial SLA
- ✓ Fee transparency & zero intake barrier
- ✓ Zenodo CFP Archive: DOI pending
- ✓ ISBN Proceedings: pending allocation (DOIs on publication)
- ✓ Published refund, copyright & ethical policies

ADVANCING THE UN SUSTAINABLE DEVELOPMENT GOALS (SDGS)

Goal 4: Quality Education
AI literacy, academic integrity & reproducibility.

Goal 9: Industry & Innovation
Auditable, trustworthy AI infrastructure & ML benchmarks.

Goal 16: Peace & Institutions
Forensic disruption of paper-mill fraud & syndicates.

Goal 17: Partnerships
Multi-stakeholder academic & industry cooperation.

OFFICIAL SUMMIT AWARDS & HONORS

GRAND PRIZE

Best Paper in Applied AI & Cyber

Theoretical novelty, regulatory foresight, and empirical rigor in algorithmic fairness or policy compliance.

OPEN SCIENCE

Transparency & Reproducibility Award

Highest standard in containerized, independently verifiable code/data artifact repositories.

FORENSICS

Integrity Breakthrough Prize

Breakthrough contributions detecting synthetic literature, citation rings, or image manipulation.

EARLY CAREER

Outstanding Student Research Paper

Recognizing exceptional methodological investigation authored primarily by a graduate or PhD scholar.
